## **Soap Box Derby 2014**

The annual Soap Box Derby race was held in Pueblo on Saturday June 21st. The sun was hot and so were the racers, with many close races. The SC3 car piloted by Dagny Norring was among the fastest cars of the day. Dagny showed that having a year's experience under her belt made a big difference in her handling of the car. She made it all the way to the finals of the event and ended up placing fourth in the Super Stock division.

Way to go Dagny! Nice job! Thanks to all the SC3 club members who came out to support this event and a special thanks to Gwenda and Larry and John and Pam from the CSCC who came down and cheered for Dagny.

### ***Sonic Night***

A large group of twenty two club members turned out for Sonic Night on Friday the 13th. The group headed up to Shorty's on the Mesa for some burgers and beer. Not only was it Friday the 13th but the moon was also full. Next time this phenomenon will happen is in 2049. This rare calendar/celestial occurrence may also be the reason why only 16 people got their food. The other 6 waited over an hour for their food. The manager said it was due to a human error.....well the human error was on our part for having too large a group for their kitchen staff to handle.

## *Southern Colorado Corvette Club 2014 Good Times*

### *President's Corner*

What a turnout at our May meeting. We had 32 SCCC members in attendance which is the largest by far since I have been with the club. I guess we are all attracted to food. Special thanks to Mark and Mike for the hospitality at our meeting at Daniels Long Chevrolet dealership.

With summer starting our club activities are increasing. In June we have Sonic Night on the 13<sup>th</sup>, SkySox on the 14<sup>th</sup>, Soapbox Derby on the 21<sup>st</sup>, and the concert train to see the Nitty Gritty Dirt Band on the 28<sup>th</sup>. There are also events being put on by other clubs and organizations. Now is the time to get involved and participate in these fun activities.

Our club has been involved with the Streetscape Program in Pueblo for the past few years. We clean along Northern Avenue from the Jack in the Box to Pueblo Boulevard. For our May clean-up we had 18 people doing clean-up. This is an outstanding turnout. It only takes an hour to do the clean-up so let's see if we can get even more members out for our June clean-up. I would like to thank Bob and Vicki or is that Vicki and Bob for coordinating our monthly clean-up and acting as a liaison with the city. We have received several accolades from the city for our efforts.

I look forward to seeing you at one or all of our upcoming events.

### *Vegas Valley Vettes Visit Pueblo*

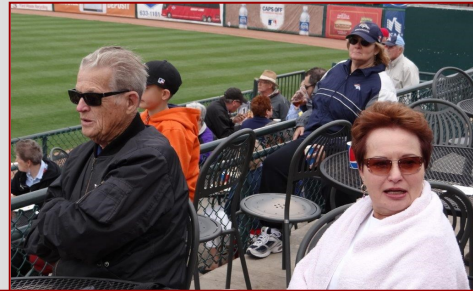

Try saying that three times rapidly. The SCCC had the honor of having 5 members of the Vegas Valley Vettes visit and stay in Pueblo for two nights this past week. The VVV were on their way home from being at the National Corvette Museum. Their group was much larger going out east but several members took different routes home or went on other trips. We were happy to show Jim & Ali, Joe & Connie, and Gene, some of the sites in our area. Wednesday night we went to Gray's Coors Tavern for some sloppers....they had never heard or tried anything like them before....they are now converts and took green chile recipes home with them. The next morning some of our club members met the VVV at their hotel in Pueblo West and headed up to Bishop's Castle, again something they had never heard of or seen before. They were in awe of the place. That evening the club went to Burt and Sharon's out on the Mesa for a pot luck dinner. There were 16 corvettes at their house all parked out in their yard it was a spectacular site. We had a great time at all of the events and we really enjoyed our visitors. We have made tentative plans to meet the VVV next June for a car show in New Mexico.

## SKY SOX BASEBALL NIGHT, 2014

26 brave souls attended the Sky Sox Game on June 14th. It was all about how we got there and back that counted, right?
